## Waiting List "Pre-Birth" of Kitten Litter

Potential buyer is expecting to be notified upon the birth of the upcoming litter ( I.D.# \_\_\_\_\_ ) of kittens and is requesting to be placed on the VIP RESERVE LIST if (only if) more than four kittens are born.

There is no guarantee that more than 4 kittens will be born, therefore no guarantee a kitten will be available to you. The 4 VIP members have priority.

When I call to notify you, there is no obligation to purchase, however, if you decide that you are ready to add a fur-baby to your family, at such time a deposit of \$500.00 will be accepted/required to reserve your kitten. Otherwise, I will contact the next person(s) on the list, waiting like you. If there is no response, I will call the next person on the list.

The Deposit/Receipt Form will need to be filled out at the time your deposit is made.  
I will hold the kitten(s) for 24 hours while the deposit transaction is in process.

Deposits can be made only one of following ways: Zellepay through mobile banking (most major banks use Zelle with no additional fee or Zellepay.com), Square Cash, Venmo (mobile cash apps), personal check and cashiers check (for deposit only NOT final payment) or cash. I DO NOT accepts, PayPal, money orders, MoneyGram, Western Union, or any form of payment other than the methods previously mentioned above.
